Dear All,

We cordially invite you for a CNE on the occasion of Mental Health Week, from **10th October 2016 to 15th October 2016.**

October 10th marks **World Mental Health Day**, created to raise awareness of mental health issues around the world.

This year's theme is "**Dignity in Mental Health - Psychological and Mental health First Aid for All**" deemed equally important as physical first aid.

AIM

The aim of CNE is to promote social and emotional wellbeing to the individual, family and community by encouraging people to maximize their health potential and enhancing their coping capacity by providing Psychological First Aid.

OBJECTIVES

- 1) To sensitize the participants on the importance of psychological first aid and to incorporate it in patient care
- 2) To emphasize the significance of quality communication in nurse patient interaction
- 3) To highlight the importance of dignity in mental health and protection of human rights.
