Workshop

MNC Accredited (2 credit Points)

On

*Refocusing on Patient Safety:
Improving Patient Care*

On 22nd November 2017

Venue

Seminar Hall, 2nd Floor, MGM Hospital,
Kamothe NaviMumbai

Dear All,

We are pleased to invite you for an illuminating session focused on molding the nurses towards a better quality patient care and patient safety.

Aim:

This workshop will help to enlighten the broad aspect of healthcare quality improvement and educate the nurses for a better patient safety.

OBJECTIVES

At the end of the Workshop, the participant:

1. Recalls the basics of patient safety.
2. Describes various strategies to minimize medication error in improving patient safety.
3. Identifies the adverse events and near misses through mandatory and voluntary reporting system.
4. Implements various strategies related to surgical safety.
5. Identify various human factors for patient safety.
